

**SPONSORSHIP PROPOSAL  
2016**

## Why your business will benefit from being involved with Kawana Football Club...

Football in Australia is continuing to grow in popularity as a sport for all ages and is one of the most family friendly sports in the country.

Hi, my name is Brad Lloyd and I have been involved with Kawana Football Club since 1984 as a player, Coach, committee member and President, I'm now celebrating my 33rd season at the club. Kawana Football Club is one of the Sunshine Coast's fastest growing and favorite sports clubs, increasing its player and membership numbers by approximately 10% every year. We have a great history and reputation for playing fair, winning premierships and having great supporters.

Our club is located centrally in the region and one of the fastest growing areas at the heart of Oceanside Kawana health precinct, Kawana Island, Lake Kawana, Kawana Central business district and the fast developing Bright water community which we are heavily involved with at the school. Our club and home ground on Mileau Place, just off Premier Circuit is part of the Kawana sports precinct and was opened in 2006.

Our club won the Sunshine Coast club of the year in 2005, 2006, 2008, 2009 and 2012 and has the potential to become the foremost football club on the Coast.

Kawana Football Club offers great potential for your business' exposure by association with our high profile teams. Our premier men's side has finished highly in the competition since the late 90's and last year our premier men side took out the championship for our 6th time with our club second all time in premierships wins, with 8. This has been further reflected by great performances in our senior and junior teams. In 2015 we had 9 of our 16 teams play finals football and 6 of those teams play on grand final day claiming 3 wins. Media interest is strong with our club due to our ever growing success in all age groups. We also focus closely on nurturing our juniors, ranging from under 6's up to under 17's and this has been evident with the clubs success over the past 5 years.

We'd like to offer your business our support and the opportunity to promote your interests to the thousands of people who visit our club each week throughout the year and the many more who follow our club's progress.

Our newly constructed website is also widely received by the coast Football community as a whole and is consuming around 500 000 hits per season which is about 50 000 per month during the season, which will furthermore offer your business great exposure.

We are continually looking for new avenues to expose your companies brand.

As a non-profit organisation, sponsorship is a big part of our income to help us develop our kids into, not only better footballers but better members of the community.

I invite you to become a valued sponsor of our club and share in our success. Please consider the following sponsorship options or please don't hesitate to call me to discuss any other ideas you may have to get involved with our club.

Thank you for your time and I hope to build a strong relationship with you and your business.

Regards,

**Brad Lloyd**  
Club President

# About the club

**Kawana Soccer Club was established in 1979 with members from the disbanded Henzell Park Rangers club. Les Hankin took on the job of President while his wife Sue became Secretary/Treasurer. They obtained the services of long-time soccer leader Fin McColm, to act as Councillor. Kawana Estates Pty Ltd provided valuable financial support in the first year and continued to back the club in the ensuing years. In 1991 Kawana soccer moved to the new Kawana Sport Complex. The club moved again, to the western fields in 2006, which is where they still are today.**

## Competitions

The 1992 Kawana side was coached by Ken Mclean, and after a successful season finished the league in third spot behind the dominant teams in the early 90's of Buderim and Beegees.

It took till 1997 for Kawana to make their next Grand final. Between 1997 and 2006 Kawana went onto win five Premierships, six league titles, three cups and three charity shields. Since 2006 Kawana has won 2 more league titles in 2012 and 2014, won the cup in 2014 also runners up in the cup 2012 and 2013. The club was also grandfinal runners up in 2012 and 2014 and after a nine year wait won the premier league grandfinal in 2015 the first to be held at the Sunshine Coast Stadium.

## Membership

Our membership numbers currently sit at 260 (plus 360 player members). In 2016 we aim to increase that number to 500 members and then to 1000 by 2020. We believe this is a realistic goal especially with the way the Kawana area is developing and quickly growing into vibrant and busy CBD area.

## Players

We have 360 players at Kawana and we have been growing at about 10% over the last 5 years. Our players range in age from 5 to 55 with both boys and girls teams as well as men and women's in all division up to our premier league men and women. We, over the last 2 seasons, have seen our biggest growth and we are predicting our biggest increase in players ever in 2016 on the back of a stellar 2015 which saw 9 of our 16 competitive sides play finals and 6 of those teams played in grand finals with 3 teams winning and becoming champions.

## Fields & Club

We are situated in the Kawana sports precinct, western fields, which is part of the sunshine coast stadium. We have been here since 2006 and this is our 4th home in our clubs history. We share this venue with Kawana touch football association and the sunshine coast fire.

Our venue attracts a broad range of sports people and spectators seven days a week. We have 3 full size football fields which are fully lit with match standard lighting and a smaller field to cater for our younger players. Our fields are fully maintained by the council and are always in good condition.

## Social & Fundraising

Over the past 5 years Kawana FC have run and organized the united for Daniel event, which was held at the stadium and involved a fun filled day of activities and football, with a coast celebrities game culminating in the main event premier league men's match between Kawana FC and Woombye. We have also held 3 Heart kids awareness days, which saw our premier mens players wearing special jerseys with the name of a heart angel embroidered on the front of the shirt. Kawana football also is involved in breast cancer days, ovarian cancer golf events and many more community events.
